SUBJECT: Dock Construction, Tennessee River Mile 463.8, Left Bank

Southern Marine Construction will begin construction of a new dock at the subject location on 10 August 2006. The activity will consist of constructing two sheet pile mooring cells to be used for moorage of the Southern Belle Riverboat. Construction is expected to be completed in approximately ninety (90) days.

Work will be performed during daylight hours, Monday through Friday. During non-working hours, equipment will be moored on-site along the left bank.

Vessel operators transiting this area are requested to reduce speed and hold a safe distance off this site to reduce the possibility of their vessel's wake causing equipment damage or personal injury.

FOR THE DISTRICT ENGINEER:
